Dear Principal Leung

Congratulations on Our Shared Success and Future Collaboration

I am delighted to share with you some good news regarding our recent graduates who sat for the Hong Kong Diploma of Secondary Education Examination 2024.

Our students' performance has been encouraging and one of the alumni of your school Sin Chun Fung (冼俊豐) received an offer from the Department of Electrical Engineering of the City University of Hong Kong. Not only does this achievement reflect the hard work of the student but also the invaluable guidance provided by the dedicated educators of your school.

I look forward to collaborating with you to continue nurturing the bright minds of our future generations.

Warm regards

Lau Kwong Yip
