Part A (100%)

Kelly's Shopping Day

Kelly went to the supermarket with Mum. They wanted to buy snacks.

Kelly chose a packet of Tasty potato chips because it was the most popular. Mum bought two bunches of grapes because they were healthy and delicious. At the checkout, Mum paid twenty-eight dollars fifty by Octopus card.

After that, Kelly felt hungry so they had afternoon tea. Mum ordered a tuna salad. Kelly had spaghetti with meat sauce. It was yucky!
